ORDER ON MOTION TO SHORTEN

Respondents have filed a stipulation to shorten time on their motion to continue the trial date. ECF No. 225. The Court construes the motion to continue the trial date as an administrative motion. Accordingly, Civil Local Rule 7-11 applies, and Petitioners shall have four days from the date the motion was filed to oppose Respondents' motion. The matter will be "deemed submitted for immediate determination without a hearing on the day after the opposition is due." Civil L.R. 7-11(c).
